On Friday, February 18, a dazzling Highland-113 to 51 victory over Cahokia put local basketball fans in a festive spirit for the ninth annual Homecoming coronation. David Koch, President of the Student Council, served as Master of Ceremonies and also introduced the entertainment preceding the processional.

As the strains of "Stardust" floated through the gym and the magic of the evening settled upon the crowd like a cloud, the spotlights centered on Retiring Queen Carol Winet, escorted by Russell Fickbohm, a member of last year's basketball team, as she started the processional to the throne. Following the 1954 Queen were seven maids: Karen Warnecke escorted by Don Ginther, Sandra Applegate escorted by Gary Thiems, Gloria Rogier escorted by Jay Ward, Kay Jean Byrne escorted by Jim Knop, Judy Tibbetts escorted by Norm Tuffli, Lynn Geppert escorted by Jim Williams, and Ruth Stork escorted by Leonard Zobrist. As they preceeded up the gym floor, they curtsied to the crowd and Queen Carol and then took their places on either side of the stairs leading to the throne.

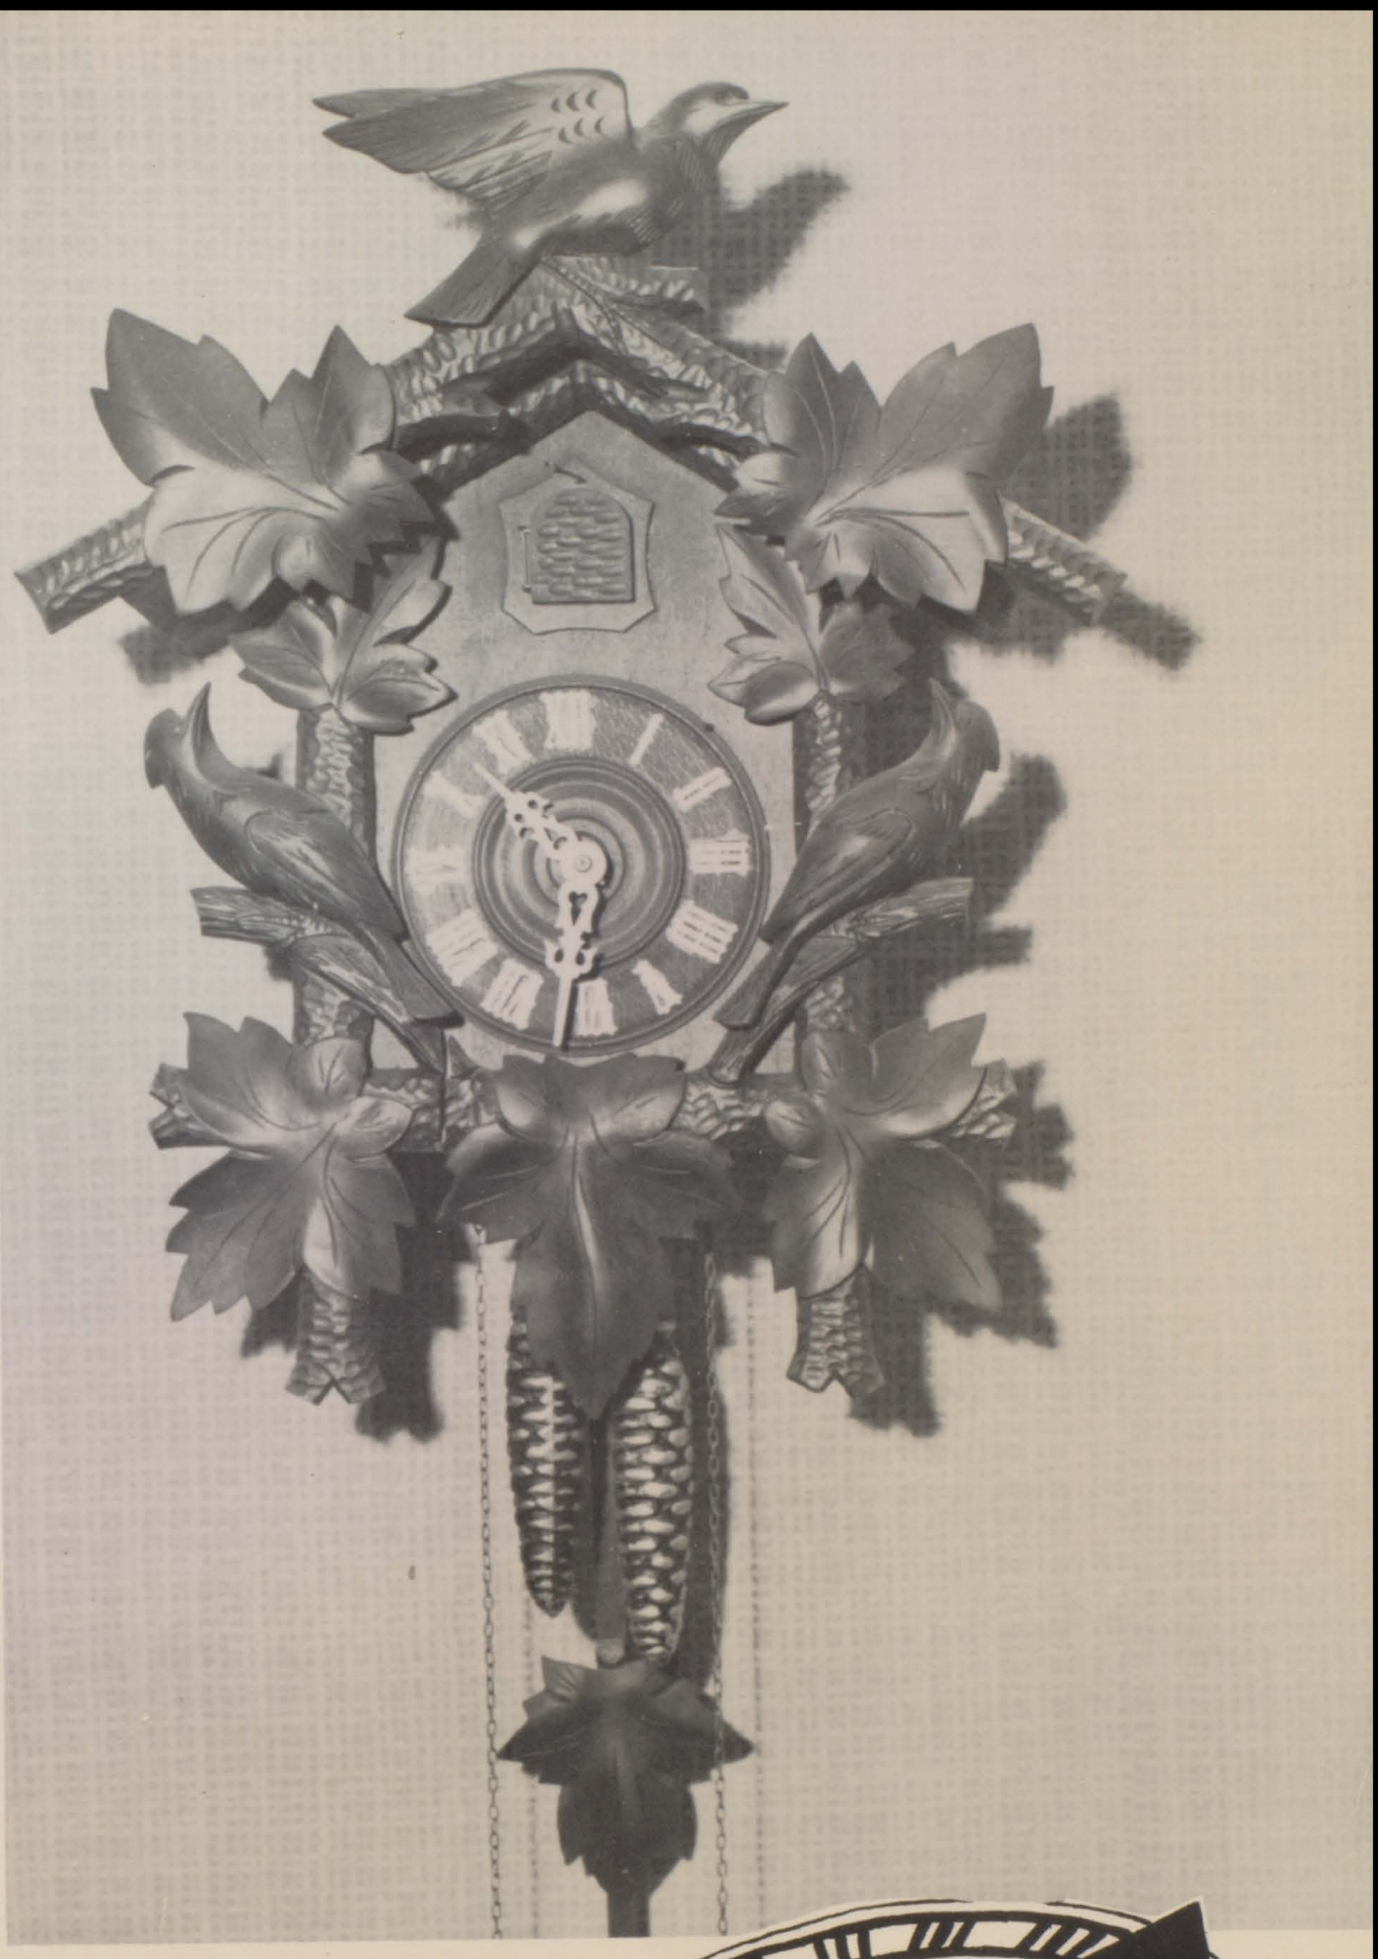

Special maids Sharon Jenne escorted by Dave Loyet and Lizann Habbegger escorted by Captain Bill Tuffli then appeared. Both special maids curtsied and then ascended to the stage. Concluding the royal procession Margie Schuepbach wearing the royal robe was escorted to the throne by James Byrne. Kathy Werne and Randy Williams drew their share of applause serving as train bearers.

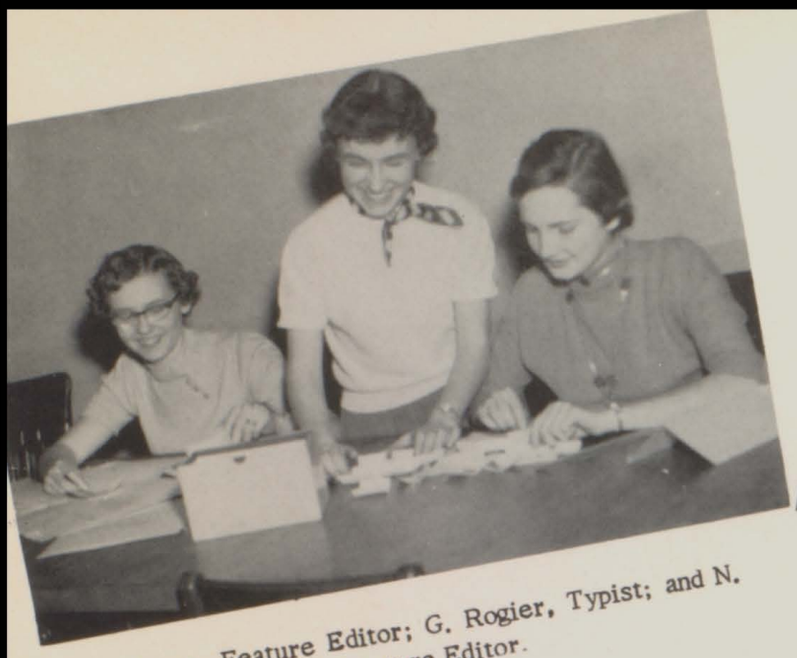

Margie took her place on the trone and the Retiring Queen gave her farewell address. After which Captain Bill Tuffli placed the crown on Queen Margie, who responded with her acceptance.

The Queen and her Court reserved the floor for the first dance. Music being provided by "The Kingsmen" words of praise were heard on all sides for members of the Student Council and their sponsor, Mr. White, for their efforts in planning a very successful homecoming for 1955.

Recognition is given to the staff of the Thirty-Fifth Anniversary Yearbook for their cooperation in making this issue a reality. The staff wishes to thank Mr. Paul Diefenbach for his guidance and help.

To the staff, our yearbook represents many hours of concentrated effort and pleasurable experiences.

The journalism department of H.H.S. was honored this year by being admitted to the International Quill and Scroll, an honorary society for high school journalists. Diana Rogier and Larry Mettler of the Bulldog staff were made members of this society. Elizabeth Habbegger and Linda Lou Lyon of the Iris staff were also awarded membership in this honorary society.

BULLDOG

Want a Bulldog?

Have you bought your Bulldog?

These are the familiar questions that were heard in the halls and classrooms once a month as the students rushed to get their Bulldogs.

As there was not a regular period for Bulldog work, the staff really had to sweat and toil to meet the deadlines. Nine issues were published during the year. Seven of these were mimeographed and two, the Christmas and final issues were printed at the News Leader office. The Juniors assisted the staff by publishing one issue.

Pick a winner!

The Girls' Athletic Association, better known around H. H. S. as the G. A. A., began their activities with a hayride in October. At the end of the ride the girls and their dates enjoyed a wiener roast with all the trimmings. Later in the month twenty-five new members were informally initiated. Following this, a formal initiation was held. This was an impressive candlelight service at which the girls received their G. A. A. pins.

Bowling was started early in October and finished in April with the Senior team taking first place. During the Christmas season the girls went to the Highland Home where they sang, played games with the folks who live there, and distributed presents with one of the G. A. A. members playing Santa Claus. During the latter part of April, several of the girls attended a splash party at the Y. W. C. A. pool in Granite City.

A strike! How does it add up now?

The purpose of G.A.A., which stands for the Girls' Athletic Association, is to promote good sportsmanship and to teach girls to work cooperatively with one another.

The officers of the Highland Chapter of G.A.A. for the year 1954-55 were: Sue Loyet, President; Marilyn Essenpreis, Vice-President; Kay Loudon, Secretary; Kay Luner, Treasurer; Mary Herbst, Bowling Chairman. Miss Joan Lorenz, P.E. instructor at Highland High, is sponsor of this group.

Like to draw posters?

Like to paint?

These are a few of the activities enjoyed by the Art Club. Another activity of the Club this year was a field trip to the Art Museum in St. Louis, Missouri. Prizes were taken in the two poster contests entered by the members.

The Art Club is open to any student who is interested in the field of art whether or not he is enrolled in an art course. There is only one requirement for members of the club and that is to turn in a project each semester. Several of these projects were entered in the 1955 Madison County Fair.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is the national organization for students in business education. It seeks to develop competent, aggressive business leadership, create more interest and understanding in the intelligent choice of business occupations, and participates in worthy undertakings for the improvement of business in the community.

This year's F.B.L.A. consisted of 35 members under the sponsorship of Miss Theda Harris, the HHS commercial teacher. Besides the regular meetings, other club projects were a formal installation of officers, a Valentine party, several films, and a field trip to Sandford-Brown College, a business training institution.

The officers were Beverly Hug, Chief Librarian; Linda Lyon, Assistant Librarian; and Janette Iberg, Secretary-Treasurer. With the money collected from dues the club took a trip to the St. Louis Public Library. One of the regular projects of the librarians was to keep the bulletin board in the library interesting. Those serving daily as a librarian for a year were given a Librarian's pin in recognition of their service in the Library.

The Student Council, with their advisor Mr. White, is the governing part of the school. The members are elected by their respective classes and serve throughout High School. The Student Council sponsors the annual Homecoming, noon dances, safety and clean-up drives and other noon activities.

The second semester, the Student Council was enlarged from 14 to 30 members. One representative was chosen from each 9 o'clock class to supplement the regular members. While these members may not hold office, they have the same voting power and voice as the permanent members. They serve one semester.

The Future Homemakers of America, more familiarly known as the F.H.A., enjoyed a fun-filled year during 1954-55. To start off the year's activities, the girls were treated to a hay ride given by the F.F.A. boys. At the annual Christmas party this year, the girls baked about 25 dozen cookies which were packed in cellophane bags then delivered to the residents of the Highland Home and the Hitz Home in Alhambra. In February, the F.F.A. and the F.H.A. got together for an evening of games and food. The F.H.A. members presented the emblem service for their mothers at a Mother-Daughter Tea in May. Later in May the girls went out to City Lake for fried chicken. The F.H.A. is open to any girl (or boy) who has had one full semester of home economics.

The F.F.A., or Future Farmers of America, is a national organization for boys who are interested in establishing a farming business of their own. While in the organization the boys learn to deal effectively with themselves as well as others.

Of the many activities conducted by the F.F.A., the annual banquet was the most important. It offered the parents an opportunity to observe their sons and to help in developing the supervised farm practice program.

The pest eradication contest sponsored by the F.F.A. members was a benefit to the whole community. The main source of revenue for the chapter is its one and one-half acre plot which also provides practical experience for the boys.

The F.F.A. - F.H.A. Hay Ride

Since these two organizations, the Future Farmers of America and the Future Homemakers of America, are similar in purpose, several of their activities this past year were done together.

Early in the fall, the F.F.A. boys threw a hayride for the girls and their dates at the Suess farm. After the long ride (which seemed so short), the boys served hot dogs and cold cider.

In February the girls gave the boys a party in the high school gym. Miss Joan Lorenz, the girls' P.E. instructor, directed the games. The group played several relays then did a square dance. After such strenuous exercise, the cold soda and hot dogs prepared by the girls were a welcome sight.

Every year the F.F.A. boys give a banquet for their parents some time in February. This meeting provides the parents with an opportunity to see what the organization is doing. The banquet, as in past years, was cooked and served by the F.H.A. girls.

Before school was out, the F.F.A. boys sponsored a skating party at "Skaters' Paradise" for the F.H.A. girls.

The F.T.A., which is sponsored by Mr. Elwood Traylor, participated in several P. T.A. programs and the Open House during this past year.

The Highland High School Glee Club under the direction of Miss Frances Ragsdale, is composed of eighty-seven voices. The group took part in many activities this year. Among these were: presenting an assembly program for the student body, singing in the three band concerts, performing for the P. T. A. and several other functions. Early in spring, the Glee Club presented a program for the Greenville High School.

In May the group participated in the Southwestern Illinois Choral Festival held at Woodriver. Some 1200 students took part in this festival which was directed by Mr. Don Craig. During April, the Glee Club sponsored a concert given by the Illinois State Normal University Men's Glee Club.

The presiding officers for 1954-1955 were: David Koch, President; Darwin Wiess, Vice-President; Larry Mettler, Treasurer; and Sue Hughett, Secretary.

DIRECTOR

Mr. E. Paul Lyon

Under the direction of Mr. E. Paul Lyon, the Highland High School Band enjoyed a highly successful year. The concert band this year was composed of fifty-six members.

The band presented a series of three concerts during the year. The theme of the Spring Concert was Auf Wiederseh'n and the stage was decorated very beautifully. The girls dressed in formals added a colorful note to the auditorium.

In October, several members of the band took part in the Madison County Sight-reading Festival at Madison. Later in the month, several band students attended the South Central Band Festival held in Altamont. . . .

THE GHOST OF ROARING PINES

The Junior Class presented "The Ghost of Roaring Pines", an action packed mystery, comedy, three-act play, on October 29 in the high school gymnasium. As a proper setting for the Halloween season, the entire action took place in the living room of Roaring Pines, a lonely mountain hotel. The mystery really deepened in the second act when in place of the expected ghost two strange ones put in an appearance. The mystery was finally solved, and the play ended with everyone hilariously happy at the unusual turn of events. The play was written by Paul S. McCoy and directed by E. Paul Lyon.

The cast of characters was as follows:

CHRISTMAS HOP

This year the annual Christmas Hop given by the class of '56, was held on the 23rd of December with Shorty Schmitt and his orchestra supplying the music. Peppermint canes and tiny sleighs added to the festive spirit. The Hop was a huge success, thanks to the co-operation of the Junior class members and the participation of the alumni and students at the dance.

The first assembly program was presented in October by Mr. Chambers and his trained dog, Mr. Troubles. Mr. Troubles performs over 250 commands. These commands are given by Mr. Chambers who shakes a chain in his hand to get the dog's attention; then he gives the dog a hand signal. Mr. Troubles has appeared in four movies doing such tricks as sneezing, scratching, playing dead or injured, yawning, etc. Mr. Chambers showed seven dogs in all.

Mr. Charles Singh, a native of India, brought the second assembly to us. He spoke on the many problems of his native country. He stressed the lack of food, the educational problems, the dialect barriers, and the religious problem. To close his talk, he sang several familiar songs in Indian.

In March, the Concert Band directed by Mr. Lyon presented a program for the high school and junior high students. The concert consisted of light or novelty numbers. During the assembly, letters were presented to those members of the band who had completed a full year in the band.

Miss Ragsdale presented her mixed chorus in an assembly program for the student body in April. The boys' chorus, the girls' chorus, and the girls' sextet also appeared in the concert. Edna Pruitt sang a very lovely solo during the program.

The award assembly was held during May. At this time, recognition was given to the many students who had participated in various activities throughout the school year.

The Senior Class gave a Box Social during the first part of November. Parents and other classes were invited to come. A review of the football team and a preview of the coming basketball season was presented. Everyone took part in mixers and the hokey-pokey; then Mr. White auctioned the boxes. The good food was accompanied with cold cider.

The Mermaid

Amid glittering fish, coral, and sea shells, the Highland High School Juniors, Seniors, and guests danced to the strains of Walt Schlemer's orchestra at the 1955 Junior-Senior Prom.

The guests entered the underwater kingdom through the mouth of a large whale and were escorted to their tables by buccaneers of the Sophomore class. The orchestra played beneath a mammoth clam shell, while a mermaid languished on top of a giant pink starfish which slowly revolved in the center of the floor during the evening. The tables were covered with shimmering cloths of pink, blue, green, and yellow cellophane. Blue-green lights cast a magic spell over this water wonderland.

ALUMNI

1913

. . . For the past year, the research committee of the Iris Staff has spent many hours tracing graduates by phone, mail and personal interviews. We think that we have done a complete job although it will be noted that there are several people whom we could not trace. As our yearbook goes to press, we have exhausted all of our leads. We sincerely hope that our efforts will acquaint you with your old classmates and revive pleasant memories of your life at Highland High School.

Our Artist, on these pages, has given you an ink sketch of some of the buildings you may remember best, and following are our present buildings. These we feel are the outward signs of the growth of Highland High. Of course, our school is growing in many other ways as well. Our curriculum is expanding, we are participating in a greater variety of outside events each year and we expect to continue our growth into the future. . . .

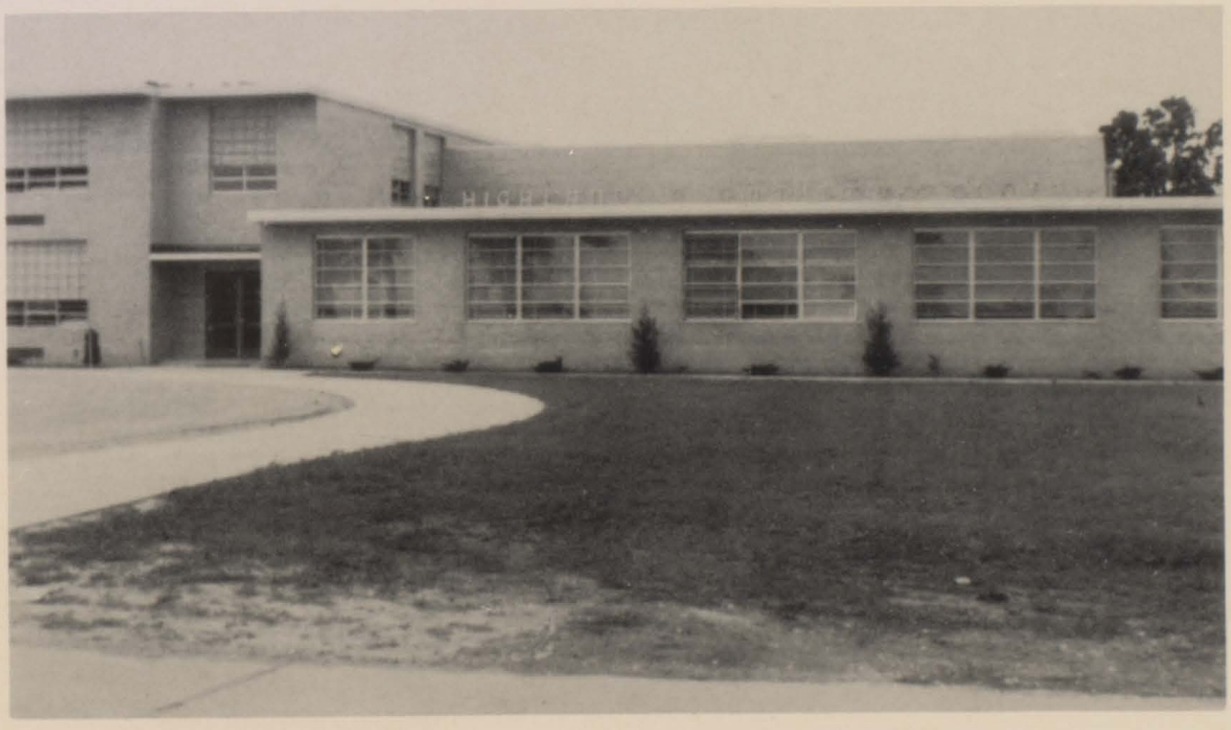

1894

1935

. . . . During this period of research, it has become very obvious to members of the Iris Staff that we in Highland High School have an exceptionally fine educational heritage. Our graduates are successful leaders and representatives in many varied fields, and we are proud of their record. Our hope is that we too, may do as well as they have done. Thanks to an interested Alumni, we have been able to make this edition of The Iris the largest in number of pages and largest in distribution in our 35 year history. Thank you for your whole-hearted support of the project . . .
